We hold extensive global accreditations, recognitions, and agreements, and our knowledge of and expertise in overcoming regulatory, market, and supply chain hurdles is unrivalled.

[WHAT WE DO]

Intertek is a leading Total Quality Assurance provider to industries worldwide.

Our network of more than 1,000 laboratories and offices and over 44,000 people in more than 100 countries, delivers innovative and bespoke Assurance, Testing, Inspection and Certification solutions for our customers' operations and supply chains.

- Assurance

Enabling you to identify and mitigate the intrinsic risk in your operations, supply chains and quality management systems.

- Testing

Evaluating how your products and services meet and exceed quality, safety, sustainability and performance standards.

- Inspection

Validating the specifications, value and safety of your raw materials, products and assets.

- Certification

Formally confirming that your products and services meet all trusted external and internal standards.
