

100% Composition Statement

Manufacturer: matrihealth GmbH

Weinbergweg 23, 06120 Halle (Saale), GERMANY

Product Trade Name: matipure®

This document certifies the 100% ingredient composition of the cosmetic raw material, matipure®, based on the manufacturer's INCI declaration.

INCI Name	Percentage (%)	Function
Hydrolyzed Elastin	100.0%	Cosmetic Ingredient

Total: 100.0%

Note: As per the manufacturer's declaration, naturally occurring residual constituents (such as residual moisture, trace salts, and biological macromolecules) are inherent to the source material and manufacturing process. They are not additional cosmetic ingredients, preservatives, or stabilizers, and do not require separate INCI declaration.
