

Yeast Fermented β -Nicotinamide mononucleotide
Declaration of Origin

Product name	β -Nicotinamide Mononucleotide		
Molecular formula	C ₁₁ H ₁₅ N ₂ O ₈ P		
Molecular weight	334.22 g/mol		
Production method	Yeast Fermented β -Nicotinamide Mononucleotide		
LOT Number	20250626	Production date	3rd June 2025
Country of Origine	The Netherlands	Expiry Date	2nd June 2027

We, hereby declare that, the raw material geographical origin of NMN is The Netherlands- European Union

Statement

The information provided on this Declaration is correct

Revision date: 04.9.2025
